COMPARE THE CANDIDATES:

- 1) In each circle, write a candidate's name. As you listen to the debate, write down some notes or just words to remind of what they said for each question.
- 2) After you've listened to the debate, look over your notes and write anything that is similar between candidates where the circles intersect.
- 3) Compare what you found with other students in your group. Adjust your information, if needed.
- 4) On the back of this paper or another sheet, write a short paragraph summarizing the differences and any similarities between the candidates. If you'd like, you might want to include who you would vote for and why.
