### Who Wants the Power?

- 1) List the duties your class has determined that the government must do.
- 2) Use the selected resources on the October 2006 Sound Learning Webpage – <http://www.soundlearning.org/2006/10> - to figure out which office is responsible for a duty. Write “Yes” if the office is responsible, “No” if it isn’t.
- 3) Finally, go to MPR’s *Campaign 2006* webpage – <http://minnesota.publicradio.org/collections/special/2006/campaign/> to find out the candidates for each office and the party that supports them.
